MEMORANDUM FOR: Mr. Bannerman

25X1 Per our conversation the other day in which you clarified your desires on the regulation revision, the attached represents [] suggested wording. It limits the entitlement of personnel grades GS-15 and above to premium pay or production or second job situations. (The compensation paragraph is not changed except for the insertion of the word "directed" to emphasize the character of compensable overtime.)

If you agree, this will be given to Regulations Control Branch for coordination. You may also wish to circulate a copy of the revision at the next Deputies' Meeting.
